UPGRADE YOUR OLD DUCTED REFRIGERATED AC WITH THE LATEST HIGHLY EFFICIENT SYSTEM

We have different machines and sizes available to replace all existing products regardless of brand. All products have a full 5 year manufacturer parts and labour warranty.

Our machine replacement/upgrades include a pre-installation site inspection by a technician to report back on existing system details and to confirm all installation requirements.

Replacement installation includes: decommission and removal of old unit, fitting new unit and fully programmable wall controller to existing duct design and zoning system and reconnecting new unit to existing mains power supply and condensate drains.
