

UPGRADE YOUR OLD DUCTED GAS HEATER

BONAIRE ducted gas is a perfect replacement for: Braemar, Brivis, Vulcan & Omega heaters.

12 MONTHS INTEREST FREE TERMS*

Our machine replacement/upgrade includes a pre-installation inspection by a technician to report back on existing system details and to confirm all installation requirements.

Replacement installation includes: disconnecting and removing existing heater, fitting new heater with controller to existing duct design and zoning. Reconnect new unit to existing flues, gas supply and power. New installation to meet all local regulations.
